

Central Regional Meeting RESCHEDULED to November 2020

The health and well-being of our members, attendees, and staff is paramount. As a result of the rapidly changing situation related to the spread of and recovery from the Coronavirus pandemic (COVID-19), we are rescheduling the [2020 Central Regional Meeting](#) (CERM) to November 2020.

Thus, the May 27-29 dates are cancelled for health and safety. Please join the ACS Columbus Section as we reschedule to November 2020.

A full refund of registration fees for the cancelled dates will be processed by ACS.

Note: Individuals are responsible for cancelling their own travel or hotel reservations for the May dates.

We will continue to monitor and follow the state and national government safety guidelines to keep everyone safe. Thank you for your patience as we continue to “Plan with Optimism and Decide with Science” approaching the rescheduled November 2020 event (dates to be published soon).

Please visit the [Central Regional Meeting site](#) for additional information or reach out to us directly at reglmtgs@acs.org for any questions.

Again, please join us as we reschedule the May Meeting to November 2020 in Columbus.
