

DEPARTMENT OF CHEMISTRY, CASE WESTERN RESERVE UNIVERSITY

Invites applications for a faculty position at the rank of Instructor. Candidates must be committed to excellence in undergraduate teaching, mentoring, and service. A PhD in chemistry and experience teaching first-year and sophomore-level undergraduate chemistry courses with demonstrated excellence in teaching are required. Normal teaching loads for Instructors are two introductory courses per semester. For this position, we expect the instructor to teach general and organic chemistry lecture and laboratory courses with multiple sections. In addition, Instructors serve on committees as part of departmental service requirements. The starting term of the position is Fall 2021. A letter of application, CV, diversity statement, summary of teaching experience, class evaluations, and three confidential letters of reference should be submitted at <http://apply.interfolio.com/84428> by May 11, 2021. The diversity statement should address a) How your research, teaching, and/or service have contributed to diversity, equity and inclusion within their scholarly field(s) and/or how their individual and/or collaborative efforts have promoted structural justice inside and outside institutions of higher learning. This statement should also reflect on the ways in which the candidate's continued efforts will foster a culture of diversity, pluralism, and individual difference at Case Western Reserve University into the future. b) How they value diversity, equity, and inclusion within their research and discipline(s) and how their own scholarly work might contribute to structural justice inside and outside institutions of higher learning.

Founded in 1826, Case Western Reserve University (CWRU) is a private research university located in Cleveland, Ohio. With an exceptional record of research achievements, CWRU is associated with 17 Nobel laureates, including the very first Nobel prize winner of the United States in 1907 on the famous Michelson-Morley interferometer experiment for measurement of the speed of light. The College of Arts and Sciences, and especially the Department of Chemistry, boasts an engaged student body and outstanding teaching environment for faculty.

In employment, as in education, Case Western Reserve University is committed to Equal Opportunity and Diversity. Women, veterans, members of underrepresented minority groups, and individuals with disabilities are encouraged to apply.

Case Western Reserve provides reasonable accommodations to applicants with disabilities. Applicants requiring a reasonable accommodation for any part of the application and hiring process should contact the Office of Inclusion, Diversity and Equal Opportunity at 216-368-8877 to request a reasonable accommodation. Determinations as to granting reasonable accommodations for any applicant will be made on a case-by-case basis.
